EMPLOYEE APPRECIATION FUND By: BST West Resident Council

It has been a long-standing tradition for Blue Skies residents to express an additional “Thank You,” through the Employee Appreciation Fund. This fund is administered for us by our Finance Department, and you can participate by placing a check (please use checks instead of cash) into the slot marked “Employee Appreciation Fund” at the Front Desk or by making arrangements with Finance for a specific amount to be added to your Monthly Service Statement. These funds are gifted on our behalf twice a year (June and December) to all hourly paid employees (with the exception of the Beauty Salon and Barber Shop employees – the only employees allowed to receive tips). Your check must be received at the Front Desk

Deadline: Friday, Jun 9 @ Noon - Roadrunner@blueskiestx.org
Deadline: Friday, Jun 9, by 5pm to be included in the upcoming distribution. Checks should be made payable to Blue Skies of Texas and marked for Employees’ Appreciation Fund. Thank you.

Special Note: In addition to those individuals you see every day such as, the wait staff, housekeepers and custodians, and Front Desk and Maintenance teams, we’ve been asked: “Who are some of the behind-the-scenes folks our Appreciation Fund reaches?” Here is a sampling (not all inclusive): Dishwashers, finance clerks, overnight Front Desk and Courtesy Officer teams, overnight shift nursing and assisted living teams, cooks and etc.

SCAM ALERT

By: Shirley Clay, Resident Counselor

Current Scams:
A resident recently shared with me her land line phone was ringing over and over, many times within an hour, and this had been going on all day. When she answered the call, there was no one on the line. The number on the caller id was not a 1-800 number, but it also was not a phone number she was familiar with. She noted the number and together we placed a return call to that number. A voicemail stated the phone had been “hacked” and was making random calls. What does “hacking” a phone mean? “Hacking” is gaining unauthorized access to information in a cell phone, such as by intercepting telephone calls or accessing voicemail messages. In this case, it appears the hacker was just making bothersome calls from the “hacked” cell phone line, since the caller had no connection or information on the phone about this resident. The resident then contacted her phone carrier, and the carrier blocked that telephone number from making any calls to her phone.

There are all kinds of new ways to scam someone and phone “hacking,” which occurs on cell phones, is not that uncommon. How does this happen? There are devices scammers use to gain access to cell phone information, just as on a computer. How can you avoid having your cell phone “hacked?” My research suggests the first defense is to use a strong password to gain access to your cell phone. Next, don’t download information from unknown websites, open unknown emails or click on web links you are not familiar with. Also, it’s important to maintain all updates to your cell phone sent out by your carrier.

New Information:
American Association of Retired Persons (AARP) reports in 2018 Medicare will begin mailing ID cards out with an assigned Medicare ID number rather than your Social Security number. This is to avoid someone else, such as in a hospital or medical office, using your social security number for id theft purposes. Watch for more information on this as 2018 approaches.
ACADIAN AMBULANCE INCREASE

Emergency transport services are as allowed by Medicare. The wheelchair van transport will remain $35 each way, inclusive of mileage. To schedule transportation with Acadian, you may phone 210-945-2022.

MAINTENANCE UPDATE  
By Britton Stacy, General Manager Maintenance

Garbage Disposal Tips – A common work order request we see in the Maintenance department is for a clogged garbage disposal. Here are a few tips to help keep your disposals in good working order and maintain safety:

- A garbage disposal can’t digest anything a child can’t digest
- Do not feed your disposal: celery, lettuce, onion peels, corn husks or corn silks, potato skins, artichoke leaves, grease, egg shells, coffee grounds, your dish cloth, bones of any kind, fish scales, glass, metal, rice, and oatmeal etc. (things that expand with liquid)
- The disposal can be freshened by grinding lemon or orange peels periodically. Ice cubes can help sharpen the blades of your disposal
- Once a month, pour ½ cup baking soda down the drain, followed by 1 cup of white vinegar. When the baking soda stops foaming, rinse with hot water. This helps clean out the disposal
- Always run cold water through the disposal while it is in use. Hot water will melt fat and grease and then congeal, clogging it up
- Always keep hands and fingers clear of the disposal while it is in use

BOB’S BLOG  
By Bob

I promised Bob he would get his pool over the Memorial Day weekend. Let the summer obsession begin!!! If the water is squirting out of it, he is chasing and biting at it. After his pool was filled on the first day and I had turned the hose off, Bob got out of the pool and found the hose. He just laid there staring at it…he is completely enamored with the hose.

RESIDENTS’ CORNER

THANK YOU

I want to thank all of you for being concerned about me during my recent hospital ordeal. Your prayers and cards meant a lot to me and our family. I plan to get back on a bike in June and play golf again sometime this year. This experience reinforces our feeling about the great community we live in. Thank you for caring.

GREAT FOOD IN SAN ANTONIO

By The Clandestine Gourmet

Have you ever tried Filipino cuisine? Lumpia is similar to Chinese egg rolls and usually stuffed with pork and vegetables. Mrs. Clandestine and I love Lumpia and have had it in many places over the years. Susie’s version is good, especially with the tangy dipping sauce. She also offers a mini-buffet with several dishes such as adobo, pepper steak and pancit (noodles, my favorite). You decide how many entrees you want and Susie’s team dishes them up. Lumpia is an additional $0.95 for each one. This is a “no frills” place - you’ll be served on a Styrofoam plate, but Susie and her staff make everyone feel at home, and she has lots of satisfied customers. For dessert, try Turon - a Filipino snack made of banana slices rolled in brown sugar, then put in a lumpia wrapper and fried. Remember to ask for your military discount! Prices here are very reasonable – two large buffet lunches and five lumpia rolls cost less than $20.00!

PLASTIC TABS AND LIDS COLLECTION

By Vickie Phelps

Every time I walk by the Bistro and see the collection box, by the recycle bin, full of plastic caps and lids, I’m thrilled to be a part of our Blue Skies community! Many of you have asked me what I am doing with them. A friend of mine who lives in the country found herself becoming disgruntled by the many plastic bottles cluttering the roadway near her house. With a change of attitude, she decided to begin picking them up on her daily walks. Then she read about an offer from the recycling center to make a bench out of 20 pounds of plastic caps or lids. She had been collecting for months and the 20 pound goal seemed unreachable – until I mentioned the residents of Blue Skies might be willing to help! We will gladly accept plastic caps from: drink bottles, medicine bottles, milk jugs, detergent, hair spray, toothpaste tubes, flip-tops (ketchup & mustard etc.), spray paint, and deodorant - all caps with a recycle number or “2, 4, or 5.” You can add plastic lids from containers if the lids are less than eight inches wide: cottage cheese, mayonnaise, yogurt, peanut butter, cool whip, cream cheese, butter, ice cream, coffee cans and etc. Also acceptable are prescription bottles with the labels removed. She and I want to thank you for your encouraging cooperation in this effort to be useful and make a bench she will treasure - from trash! So, keep those plastic lids coming! Each cap or lid you contribute counts! Thank you for being a good neighbor!

BLUE SKIES WEST VARIETY SHOW PLANNED

By Corlea Plowman

The BSTW Entertainment Committee has started its planning for a January 2018 Variety Show…think Ed Sullivan Show but heavy on the funny and/or different. Got a
group wanting to put on a skit? …Life in Tower One? Or Dog Park Dog Show? Or Two-to-One Show with performers using black curtains to hide behind to become arms and/or legs for the person out front. Acts will be fairly short, so you do not have to prepare a large quantity of material. Can you do magic, spin a hula hoop, play the spoons, squeeze the bagpipe or accordion or perform standup comedy? Do you have a barbershop quartet, a singing cat, a dancing puppet, musical bottles, Kazoo Band or tuneful kitchen tools? Contact Corlea Plowman by phone or email corlea830@gmail.com, by Friday, Jun 30, if you would like to participate. Join in the fun!

FOLLIES DANCERS  
By Marcia Tinsley

June is here, and we need to start rehearsing at least weekly. So, put on your dance shoes or your boots and come on Fridays at 9am in CC2. We’ll be rehearsing for these numbers:

Hello Dolly,
Oklahoma Country–Western,
Anything Goes

If you were in the Oklahoma dance two years ago, it’s the same one. I need to know whether you would or would not like to do it again. We’ve already started, and we’re having fun, so come and join us.

HAND BELLS  
By Martha Wesson

Bells continue to ring on Thursday mornings from 10-11am in the Art Room. We are still in a learning stage; so it will be easy to jump in and join us. It’s fun to work together with a supportive, happy group making music.

SOCIAL CLUB NEWS  
By Frank Sherman

If you are new to our campus, you may be wondering about the named and numbered boxes along the back wall of the Roadrunner Lounge. They are liquor storage boxes belonging to members of the Social Club of BST West, who have either purchased a Lifetime membership or are renting monthly. Currently there is one Lifetime member box available. The price is a one-time charge of $450 for lifetime use of the box. Also available are four, monthly rental boxes at $10 per month plus a $50 refundable key deposit. Two single residents may join together and acquire the use of a box for either the lifetime or monthly method. The boxes are for your use at any time; however, in the evening ice and glasses are provided. Scheduled on the last Friday of every month is a “Final Friday Fling” where the box holders get together for shared snacks and a cocktail. So, if you would like to enjoy a cocktail before dinner, take a cocktail into dinner or enjoy coffee and a cordial after dinner with fellow residents, perhaps a Social Club membership would make sense.

Deadline: Friday, Jun 9 @ Noon - Roadrunner@blueskiestx.org
for you. For more information, call Frank Sherman or Tom Jones – their numbers are in the “In-House Directory.”

**FLAGS**

By Forrest Smith

The Fourth of July is just around the corner, and the “First-In-The-Nation” Fourth of July Parade is even closer. ACC once again has US flags for sale. They are 3’ x 5’ with metal grommets for easy attachment to your flagpole. These flags are printed (as opposed to sewn) but are color fast with bright colors. The cost is $5 per flag. Let me (Forrest Smith) or Ed Orbock know if you want one.

**RESIDENTS’ CONCERT SERIES**

By Ginny Hallager

On Sunday, May 21, we were treated to another incredible concert brought to us by the Concert Committee. Lenny Seidel mesmerized us with his innovative arrangements of favorite melodies. His program included music from The Beatles, Les Miserables and favorite Broadway shows; and as a treat to us, we played Name That Tune which included movie titles that featured the music. Only one audience participant got all six correct. Mr. Seidel’s passion and artistry made each number come to life, evoking memories for many of us of a special time or place when we first heard the music. Once the applause died down at the conclusion of the concert, Mr. Seidel returned to play his own special arrangement of “Over the Rainbow,” a reprise from his concert in 2015. What an enjoyable and satisfying afternoon of music! A few of his CDs are still available for $10. Call Ginny Hallager.

GAME NIGHT

By Martha Wesson

CC3 is reserved on **Fridays** for Game Night **beginning** on **Jun 2, at 6:30pm**. It is not an organized evening - it’s just providing a casual place with tables to meet your friends for whatever you like to play as long as you arrange it with them. A new Chinese Mah Jongg group is setting this up, and you are welcome to come learn to play with them, or do your own thing elsewhere in the room as long as you can handle the talking and laughter that is sure to happen from the others. It’s intended to be a get-together that can vary from week to week depending on who shows up. For instance, the Chinese Mah Jongg group will probably only meet twice a month; so we can play other games now and then if we want. So call your friends, grab your cards or game, some snacks and drinks, and come have a good time!

SING-ALONG STRINGS

I know there are some folks out there who played the ukulele in college or when they were stationed in Hawaii. See you at the sing-along!

HAM BAND NEWS

By Bill Overacker

Since 9/11 and “Katrina,” there has been a tremendous surge in emergency preparedness. This is true within the Amateur Radio Community. The Amateur Radio Relay League (ARRL) Emergency Preparedness Manager, Mike Corey, stated: “Emergency communications is a gateway into Amateur Radio, and many join our ranks through an interest in being better prepared themselves and as a way to serve their community.” In 2016, the total number of new Amateur Radio licenses exceeded 30,000 for the third consecutive year. The premise of this trend indicates the importance of Amateur Radio’s emergency capabilities. All are welcome to our next BST Amateur Radio Club meeting on Thursday, Jun 15, at 11:30am in CC1 to learn more about this interesting and exciting hobby. Please contact Joel Lichtenstein for more information. 73—(Best regards in Ham language).

The verse quoted above is about another veteran who gave the ultimate sacrifice – Jesus. God knows veterans are special people who are willing to sacrifice for others. BST WEST PICKLEBALL ASSOCIATION  
By Tom Carter

Join us to play the fastest-growing sport in the USA and have some fun with other BST residents and guests. We have two options for playing on Tuesdays and Thursdays. Pickleball is played on a small court (about one-half of a tennis court), and provides seniors an ideal venue for getting exercise. Gender or strength is of no advantage in this sport. We have the required paddles, balls, nets, etc., so come out, and we’ll show you how easy it is to play. For further information, contact Helen Vanderneck, Don & Debbie Christian, Keith & Susan Shumaker or Tom Carter.  
*Playing dates and times: Tuesdays & Thursdays at 8am - A group meets in the BST West Main Lobby to caravan to Medina Base to play indoors at the Medina Fitness Center from about 8:30-10:30am.  
Tuesday and Thursday, 8-10am – Another group plays at the BST West tennis courts (except on inclement weather days when everyone goes to Medina).  
Saturdays, 8-10am - We play only at the BST West tennis courts.*

NATIONAL MAH JONGG LEAGUE  
By Gayl Ganskow

If you are familiar with the card game Gin Rummy, you have a head start to understanding Mah Jongg (MJ). There are no playing cards here because in MJ you mix, pick, discard and arrange your tiles in combinations for a winning hand. The ideal game is played with four players; however, two or three players can play and have a great time as well. Come and enjoy! We play three times a week, no sign up, just show up.

Playing Session:  **Wednesdays, 1-3:30pm** in CC3, All B&A Days, 2nd Wed of each month in Card Room 112. The Card Room is located across from the Thrift Shop on the first floor.  **Fridays, 1-3:30pm** in CC3, and  **Saturdays, 1-3:30pm** in CC1
