SCAM ALERT

SCAM ALERT

How to handle Robocalls: A Robocall is a computer automated dialing system that delivers pre-recorded calls. Scammers use robocalls to entice their victim to give personal information or send money. The voice might claim to be from a utility company, a government agency such as IRS, Medicare or Social Security, or even a foreign government. The Federal Trade Commission suggests

Deadline: Thursday, May 23 @ Noon flyer@blueskiestx.org
Next Publication Date: Friday, May 31
the following methods for dealing with robocalls:

- Hang up on the call immediately.
- Allow calls with unknown numbers to go to your voicemail, and don’t respond to the message at all. If the caller suggests a specific agency or organization is trying to get in touch with you, look up the actual posted number for that agency, either on the internet or in a phone book. Then call them to see if they originated a phone call to you in any way.
- Report a robocall telephone number to 1-877-382-4357, or at https://www.ftccomplaintassistant.gov/#crnt&panel1-1 (A chat box with a Technical Support Specialist is available at the top right of the ftc.gov/complaint website)

LEADINGAGE TEXAS 2019 ARTSINSPIRE™

ArtsInspire™ is a contest which showcases the artistic talents of older Texans from retirement communities across the state, and is a core program of LeadingAge Texas. Entries are judged by experts in the field such as university professors, artists, authors, etc.

Applications are available and must be submitted to the Activity Coordinator by Friday, May 17. Please contact Carol Estala at 210-568-3310, or 210-568-5028, if you are interested in entering this year’s contest or if you have any questions.

EMPLOYEE APPRECIATION FUND

It has been a long-standing tradition for Blue Skies residents to express an additional “Thank You” through the Employee Appreciation Fund. As was previously announced, your gifts now qualify as donations to the Air Force Villages Charitable Foundation, and as such, will be included in your annual statement of donations. You can participate by placing a check (please use checks instead of cash) into the slot marked “Employee Appreciation Fund” at the Front Desk, or by making arrangements with Finance for a specific amount to be added to your Monthly...
Service Statement. These funds are distributed twice a year (June and December) to all qualifying hourly-paid employees (with the exception of the Beauty Salon employees – the only employees allowed to receive tips). Your check must be received at the Front Desk no later than Friday, May 31, by 5pm. Checks should be made payable to Air Force Villages Charitable Foundation and marked for Employees’ Appreciation Fund. Thank you.

Special Note: In addition to those individuals you see every day, such as the wait staff, housekeepers and custodians, and Front Desk/Courtesy Officer and Maintenance teams, we’ve been asked: “Who are some of the behind-the-scenes folks our Appreciation Fund reaches?” Here is a sampling (not all-inclusive): dishwashers, finance clerks, overnight Front Desk and Courtesy Officer teams, overnight shift nursing and assisted living teams, cooks, etc.

BSTW APRIL FISHING DERBY RESULTS

By Layne Perelli

On Saturday, Apr 27, the BSTW Fishing Derby for Employee and Contractor Families was held under beautiful blue skies. At least 67 bass were caught during the Derby; that has to be a one-day record for the Gazebo Pond!

Andy Esparza (7) and Julian Trevinio (4) waged a mighty battle for title of King of the Lake, each catching a good number of nice bass. Andy’s father, Eddie, works for Select Rehab at The Mission, and Julian’s
father, Victor, works for Maintenance at BSTE. Because each of the boys’ largest bass was identical in size, the rules committee decided to award both a First Prize of $20. Thanks to BSTW Fishing Club members: Alan Chalfont; Carl Halada; Bob Hood; Doc Jones; Hal Lutz; Ralph Kelly; Russ McCarthy; and Layne Perelli for their help in making the Tournament a success. And special thanks to the Maintenance Department, Mike Scates and Ace Escalante for providing needed equipment.

RESIDENTS’ CONCERT SERIES

By Ginny Hallager

You are in for “Double the Pleasure” in the month of May. Your committee is bringing you two concerts to enjoy; one is the Freedom Brass Quintet, which is part of the Band of the West here at Lackland AFB, and the other is one of our favorites, the Youth Ambassadors, who represent the Gurwitz International Piano Competition throughout our city.

The Freedom Brass plays all over the world and we are privileged to have scheduled them for **Sunday, May 5**, at **3pm** in the BSTW Lobby. They will present a program of Classical and Patriotic music. Do not miss this one!

The second concert will be on **Sunday, May 19**, at **3pm** at BSTW. We will welcome seven extremely talented young pianists: Michel Hadad, Terek Hadad, Chloe Castillo, Selah Flores, Ellen Foreman, Erin Guetzloe and Kadence Howell. This is another event you will want to experience. Mark your calendars now!

THE SING-ALONG STRINGS UKULELE BAND

By Verna Mae Roberson

Our next sing-along will be at **7pm, Saturday, May 11**, in the CC Rooms. There’ll be lots of patriotic music, as well as a little bit of this and a little bit of that. If you have guests for Mothers’ Day they will certainly enjoy the evening; we have a couple of soprano ukuleles to loan if any of them play and didn’t bring their own. See you there!
CALLING ARISS  

By Bill Overacker

Congratulations Pearsall High School students (located south of Hondo) who, under the guidance of Ret. Colonel Glen J. Larson, the AFJROTC Senior Aerospace Science Instructor, were selected on the first round to host an amateur radio contact with the crew members aboard the International Space Station (ISS). This highly competitive, initial proposal from thousands of schools and organizations worldwide, now progresses to the second stage of selection, which is an ambitious undertaking. These students must now submit their plans to the ARISS (Amateur Radio on the ISS) Education Committee on how they will accomplish this endeavor! Excitement and support for this encounter abound within this community. Sid Tschirhart, a Medina Amateur Radio Club member who mentored BSTW’s newly licensed Hams, is spearheading the organization of needed radio equipment. The configuration of the high school cafeteria to view this event by students and residents is in progress. Amateur Radio is instrumental to engage young people to pursue interests and careers related to space exploration and communication. All are invited to the next Amateur Radio Club meeting on Thursday, May 16, at 11:30am at BSTW in Room CC1. Please contact Joel Lichtenstein for more information. 73—(Best regards in Ham language).

VILLAGE VOICES CONCERT  

By Diana Greenly

On Thursday, May 16, 7pm the Village Voices will be singing their favorite songs at BSTE “Let There Be Music,” in the CC Rooms. Come and enjoy the beautiful music; refreshments following the concert.

NOTES FROM THE RESIDENT COUNCIL CHAIR  

By Bruce Wilcox

Please mark your calendar for the next Residents Council meeting Thursday, Jun 6, at 2pm in the CC rooms. As a reminder, we have changed the traditional second Tuesday meeting date for two reasons:
1. The former date was before Blue Skies Board meeting dates, so information from the Board didn’t get transmitted to Residents until weeks later
2. Tuesday has the highest concentration of exercise activity scheduled in the week and attending Council meetings could cause one some consternation about missing exercise classes. So, please join us to hear the latest update on the condition and plans for Blue Skies.

SMART DRIVER COURSE  

By Jim Kniker

The next course at BSTW is Friday, Jun 7, 12:30-5pm in the Roadrunner Lounge. AARP has dedicated considerable time and resources to creating the best possible Driving Safety course using extensive curriculum research. The Smart Driver Course features the most informative and relevant content from previous editions – updated to reflect the latest driver safety and transportation innovations – bundled
with fresh information based on new research, expert recommendations and volunteer and participant insights. Most auto insurance companies give a premium discount to those who complete the course. You must attend the course once every three years to be eligible for the discount. The cost of the course is $15 for AARP members and $20 for nonmembers. Sign-up sheets are in CC1.

ANNIVERSARY AND BIRTHDAY PHOTOS  By Norris Wynne & Sonja Williams

Dig out your favorite old picture for sharing with your Blue Skies neighbors. Send your photo through the front desk internal mail to Norris Wynne Apt 709, prior to the 27th of the month before your Birthday or Anniversary. We will post it on the Birthday and Anniversary display in the lobby as well as on the in-house television channel. Please write the name and the date as well as your apartment number on the back of the photo. The original will be returned to you. Remember the deadline is the 27th. Thank you, Norris and Sonja.

HOBBY SHOP  By Bob Knapp

At the Hobby Shop, we repair items for residents of the Village. We do not expect to be paid for the work, but request that you make a small donation to the White Elephant as they provide the monies for our supplies. We repair lamps and small appliances, as well as repairing, painting, and refinishing furniture. We work mainly with wood, but have done some work with other materials. If we can help you with any of these items, please call us at the Hobby Shop: (210) 568-5297. We do not have regular hours each day; so please call our home numbers (see Resident Roster). Alternate contact is Tim McKinna, if you don’t catch us at the Hobby Shop.
