

BLUE SKIES WEST DINING SERVICES
BON APPÉTIT – SUN. SEP 20 - SAT. SEP 26

Instructions for Meal Delivery:

Our entire staff is committed to preparing and delivering only the best meals to our Blue Skies family during this uncertain time. Our team is working around the clock to keep each of you healthy and safe. This difficult time is temporary; we too are looking forward to getting through this and returning to normal...we are *Blue Skies Strong!*

Please make selections on the menu provided for the entire week; meals will be delivered daily to correspond with the day on the order form.

Clip the order form at your residence entry by **11am** every Friday.

New menus will be delivered to your door every Wednesday.

Unfortunately, meal substitutions are not allowed.

Delivery Time: **11am-12:30pm** daily.

Entrées will be delivered precooked and chilled.

If an item becomes unavailable for that day, Dining Services will substitute with a similar item.

Food will need to be transferred to an appropriate container and reheated in the oven or microwave to your liking (165-degree internal temperature recommended).

Instructions & menus are always available at <http://blueskiespb.weebly.com>

Our team is working hard to deliver first-class service. If you have questions or concerns, please do not hesitate to call Caitlin or Daniel at 210-568-3235.

Again, thank you for your patience!
